

Landlord Soft PWM Dimmable Black

Flos

No. F004C20A030

IP65 projector for external use, designed to offer diffuse lighting. It is characterized by an aluminium disk shape head, orientable up to 20° beam and lockable in position, to be powered at 24V, and available in 2700K, 3000K and 4000K colour temperature. It is the perfect tool to light bushes, flowerbed and transit areas with an homogenous diffuse light beam. Landlord Soft can be installed on solid ground spikes, with the possibility of an optional picket. 20° adjustable head for installation on ground poles. Poles to be ordered as separated accessories. 24V remote power supply to be ordered separately. Each head comes with a 2000 mm lenght outgoing cable and a wiring kit.
